# LADEN WITH FEED, FORAGE AND HORSES, DIX NEARS THIS PORT

Philippines the United States army into a steamer. transport Dix, from Seattle is nearing the port and should arrive here on or David Evans Again in Distress. about Wednesday evening or Thurs-

culations of Harbor Master Foster.

Puget Sound ports at the conclusion of the last voyage. The Dix has been ment has authorized the expenditure overhauling and alterations to take place upon the return of the Drx to Seattle with the first of the year.

The vessel's galley, has been condemned as insanitary, her hospital ward too small, her decks are unsafe and her crew's quarters cramped and badly ventilated.

It is proposed to extend the steel decks fore and att, construct an entirely new house and provide better and galley and a new hospital ward. The plans practically call for the rebuilding of the interior of the transport. the construction of a new house and extensive steel deck work. There is an appropriation of \$170,000 which can be drawn upon for the alterations. and it is believed that bids will be requested with a few weeks.

The Dix sailed for Honolula, Manila and Milke, Japan, November 25. She carried about 6000 tons of hay and oats, commissary supplies and about nurate ports following the discharge 200 head of horses and mules. As of cargo at Maui, and a return to the part of her shipment of live stock she coast. has sixty head or horses, the officers' mounts of the Fourth United States Persia a Late Arrival cavalry, which has been doing duty along the Mexican border. The Fourth at H. Hackfeld & Company from the one days having been consumed in W. H. Rice, Sr., J. Fossoth, Mr. Mey-possengers for Honolulu. The vessel Bishop & Co, M; 27,200 sq ft of lot cavalry is to be transferred to Honolulu, relieving the Fifth cavalry, now ir the Hawaiian islands.

Rithet a Valuable Asset.

The arrival of the bark R. P. Rithet ei Honolulu, twenty-one days from San fore the oft repeated story to the effect that the time is soon at hand when the windjammers plying between the coast port and the islands with cargoes other than lumber will be withdrawn in favor for the larger steam propelled vessels.

The contention is raised however that sailing tonnage these days has proved a very profitable investment The Rithet and the Andrew Welch are about the last of the calling fleet to make regular trips between San Francisco and Honolulu with merchandise. As an indication of the big demand for sailing tonnage and indicating the present high value placed on windjammers the sailing ship Poltalloch was of call at five this evening taking brought to the fore today,

Bought four, years ago by her prespurchased for \$150,000, because of her enlarged earning capacity. At Bellingham the Poltalloch is loading 2 500,000 probably go to Newcastle, Australia, was found necessary. in ballast after discharging the lumport . Thus for a voyage not likely to nected with the institution. occupy more than a year's time the Poltalloch will receive two freight Japanese Buy Liner. rates, from here to South Africa and
